

Greetings from your HOA President

Well, looks like fall may be finally coming to an end. With the cool weather (first freeze) this weekend a few things to consider:

- Remove the hose from outside faucet and put one of those foam insulator covers on.
- Open your doors and cycle the heater on. May smell for a while but better to do now.
- Trim back any of the shrubs & crepe myrtles. You're responsible for anything 4ft around your home/fence area.
- Also notice a lot of backyard trees need trimmed, limbs are on home and roof.

NOTICE * YOU will need to mail HOA dues to a new address starting January 2017.**

- **Crossing HOA, 1322 Fretz Drive, Edmond, OK 73003**
- **You can do a direct deposit or setup to have auto draft from your bank account. Pick up a form in the white box in front of the clubhouse. Plus one will be mailed to you in December notice.**

Big trash day is the 2nd Monday of each month... Please DO NOT put stuff out until Sunday afternoon... We don't want our community looking like a dump site.

Alley road work and new concrete has been completed. I'm sure homeowners are happy. We will present a list at the beginning of the year for our next section to be done.

Dog Owners: Please pick up after your pets. Neighbors have noticed a lot of you NOT doing that...! Pulse it is a violation of City Code!

IF you have not filled out personal contact information for HOA, Please do that on HOA website and drop off in brown mailbox by the clubhouse door. This information is for emergency use only.

IF anyone wants to volunteer or run to be on the HOA Board, please drop off your request with your information at the clubhouse door brown mailbox or Email us.... thecrossingedmond@gmail.com ... always need help...!

Our 2017 Annual meeting will be January 22nd (Sunday) at 5 PM.

If you see anything illegal going on in the area, please call non-emergency # Police 405-231-2121

A lot of information is on our Website... thecrossingedmond.org and email is thecrossingedmond@gmail.com

Thanks

Bill - President
